N-95 respirator fit-testing will be offered according to schedule above. Emphasis will be on the highlighted department(s) but others may attend as needed. Managers should provide Bill Davis (wdavis@uab.edu) a roster of current staff to facilitate record-keeping.

The fit testing room is located in **Russell Building M162** near Hospital Human Resources. Call 6-5409 for more information, or contact Bill Davis at 4-1673 or 910-5093 cell.

Recent CDC infection control guidance documents provide recommendations (OSHA Required) that health care workers protect themselves from diseases potentially spread through the air (such as SARS or Tuberculosis) by wearing a fit-tested respirator at least as protective as a NIOSH-approved N-95 respirator.
