

OCCUPATIONAL HEALTH & SAFETY
UNIVERSITY OF ALABAMA AT BIRMINGHAM
CUSTOMER SURVEY

The Department of Occupational Health and Safety (OH&S) is conducting this survey to determine what services the UAB community needs and to help judge our response to those needs. Please take a few minutes to fill it out and help us serve you better. While it can be submitted anonymously, we would like you to include your contact information so that we may call if we need additional information. Also, we will be drawing 25 names from the respondents who include their contact information for a free laboratory first aid kit. Thanks.

- 1. What OH&S services do you currently use? (ex: biohazard/chemical waste disposal, noise monitoring, etc.)**

- 2. What services would you like OH&S to provide in the future?**

- 3. How do you currently contact OH&S? (ex: web site, main phone number, specific individuals in the dept., etc.)**

- 4. Would services in other languages be helpful?**
